MEAL CHOICE (Lunch is included each day) *Please choose from these options. (No choice =regular diet)*

<input type="checkbox"/> Regular May include meat portions	<input type="checkbox"/> Vegetarian No meat, may include dairy
<input type="checkbox"/> Medical Dietary Needs (detail)	

To complete the INTERAC E-Transfer you will need to type a question into your transfer that only you know the answer to. Do not type the answer to that question into the transfer, enter it on this page. **We need to know the answer to your secret question or we cannot process your registration payment.** You can email it to us separately or include it here. The answers are case sensitive...so be certain to type it in here EXACTLY as you entered it on your bank site. Limit it to one word and write it down so you don't forget it. DO NOT type the 'question' on this form - just your answer to it. (Example: Your secret question may be: Name my first pet? Answer: Ducky...remember the spelling, and caps or no caps must be exact as you entered them. E.g. Ducky or ducky?)

WHAT IS THE ANSWER TO YOUR SECRET QUESTION (see reverse side) for Interac E-Transfer	
If the payee is not the person who is registering, please note that here and indicate the name of the person the receipt should be made out to. If one payment covers more than one person, we can only issue one receipt. Indicate below the name the receipt should be made out to if it is not the name on this registration:

Privacy Disclosure

Personal information collected on this form is used to identify you for OWREN membership purposes and to send you informational mailings (or emails) about our educational events, opportunities, and activities. It is never given, sold, distributed, or shared with anyone, unless you have specified otherwise. By indicating you wish to have the selected information published in OWREN's Membership Directory and/or related website(s), you agree to allow us to print that information. These listings show only your name, telephone number, city, and any species you are authorized to accept for rehabilitation, as well as any knowledge, information, or experiences you have indicated you wish to share with others. For your protection, we do not publish or list email address* or home address, (*unless you have specified that we use your email address above). You can request to be removed from our educational information list at any time, in writing.

Complete all relevant sections on both sides of this application.

Send Interac e-Transfer or PayPal Credit Card Invoice request and email form to: owren.online@gmail.com

**Interac E-transfer/PayPal Reg'n - OWREN Basic Skills / Beyond Basic & Care/Handling - Rabies Vectors Courses
at Best Western Plus Cairn Croft Hotel, in Niagara Falls, ON Oct 15-17, 2017**

SAVE a copy of this form and information as a record for yourself. Do that NOW.

Send an email to: owren.online@gmail.com and **attach** a copy of this saved document in MS Word or as a PDF file and notify us of your registration and payment.

Log into your bank account online; choose to make an Interac E-Transfer payment for the combined total amount you have calculated above. It will ask you for an email address to send the transfer to:

SEND IT TO: owren.online@gmail.com

Follow the steps from your banking institution, complete and send the transfer. **DO NOT FORGET to include the answer to your secret question by typing it into this registration form on the first page.**

You will receive an email notification of each step of the process from Interac and can track the progress through your bank. **BE SURE YOU PRINT OR SAVE ANY COPIES** to your computer – it will contain an authorization code number to indicate that the transfer was made and your fees were paid. Please be patient while we process the transfers and be advised that.... **it can sometimes take us a week or so to process transfers, thanks for your patience.**

IMPORTANT NOTES:

Registering for more than one course? Combine your total into one payment amount. Don't forget to include your OWREN membership fee (if you're just joining now). *Be sure to submit this reg'n form, membership info (via attached document), etc., by EMAIL if using Interac-eTransfers or PayPal.*

Are you registering as a full time student at an accredited Canadian educational institution? You **MUST** include a scanned copy of your Student ID with your registration.

Can you pay by cheque and mail it in? Unfortunately we can no longer accept personal or business cheques for registration payments, nor payments by mail. All payments are processed via Interac e-Transfer or PayPal.

Can you pay by credit card? PayPal allows you to pay by credit card and you do not have to have a PayPal account to do so. Please let us know and we will send you a PayPal Invoice. There is an additional processing fee added to our invoice to cover the service charges from PayPal, and delayed payment to us.

Thank you.

Please read below, for information about both courses

WILDLIFE REHABILITATION BASIC SKILLS COURSE

October 15-16, 2017 Sun. & Mon. from 8 am- 6 pm

Outline

- Legalities: federal & provincial laws; conditions of Wildlife Custodian Authorization; basic registered Foster Care Giver requirements; wildlife recordkeeping; veterinary relationships; disease reporting
- Initial Contact: handling public inquiries; species identification; injury assessment; reuniting orphans with parents; species biology/behaviour; telephone hotline tips/advice; safe wildlife capture/transport.
- Triage: initial examination; making difficult decisions; animal-rehabilitator safety and handling.
- Emergency: shock; dehydration; emaciation; blood/fluid loss; poison/seizures; respiration.
- Basic Exam: equipment; restraint methods; performing the examination; charting.
- Basic Treatment: limb immobilization; wing wraps; wound management; gavage; dosage calculations; fluid replacement calculations; cat bites.
- Diseases: wildlife diseases; zoonoses; epizootics; disease prevention strategies.
- Rehabilitation: ethics; equipment; housing; nutrition overview; enrichment; stress reduction tips.
- Release Considerations: release assessment; methods; site evaluations; euthanasia

Successfully passing this course is accepted as the equivalent to the MNRF OWRE written test. It is the first step in obtaining a wildlife custodian authorization from the MNRF in Ontario. OWREN issues a Completion Certificate only (not an MNRF Authorization) only to those who complete all three portions of both days of the course: 1. Being physically present in class for both full days of the course; 2. Actively participate in the hands-on lab portion of the course; 3. Write the exam and successfully obtain a passing grade of 80% on the written exam.

Only the MNRF can legally issue a Wildlife Custodian Authorization and they do require a written exam as a pre-requisite to begin the process of applying for an authorization. Should you wish to apply for an authorization upon successfully completing OWREN's course, call your local district office to set up an appointment to meet with them and fill out their application for an authorization. You can provide the MNRF with a copy of your Certificate of Completion from OWREN to

**Interac E-transfer/PayPal Reg'n - OWREN Basic Skills / Beyond Basic & Care/Handling - Rabies Vectors Courses
at Best Western Plus Cairn Croft Hotel, in Niagara Falls, ON Oct 15-17, 2017**

exempt you from writing the MNRF OWRE exam and they will guide you through the process of becoming authorized.

Study and Test Question Guides are sent when the registration deadline arrives and/or minimum course enrolment is met. You will be notified by email at that time.

No at-the-door registrations are taken. You must be pre-registered.

NO refunds after September 15, 2017 (Sorry, there are NO EXCEPTIONS, including any cancellations by the registrants due to inclement weather. If the course fills, it will proceed *regardless of weather conditions*). OWREN reserves the right to cancel for insufficient enrolment - if this occurs, your fees are refunded in full. Confirmed registrants are to sign in from 7:30 – 8:00 a.m. on first day of class (Class is from 8 AM—6 PM). You will be notified by email when your registration is confirmed. You MUST be 19 or over to register.

Deadline for registration is Sept. 15, 2017. NO refunds after Sept. 15, 2017 for any courses. Sorry, there are NO exceptions, including your cancellation (e.g.) due to inclement/adverse weather or any other circumstances. There are no 'transfers' of fees paid to a future course if you cancel after that date.

**Please read - general outline and information about the
Beyond Basic Skills Wildlife Rehabilitation & Care/Handling - Rabies Vectors Course**

**Beyond Basic Skills Wildlife Rehabilitation & Care/Handling - Rabies Vectors Course
October 17, 2017 – Tuesday 8 am- 6 pm**

For registered foster care givers, volunteers or those who provide interim handling and stabilization of wildlife. New or seasoned rehabilitators welcome!

Working with rabies vector species requires an extended and solid based knowledge of rabies. This course will also cover safely working with and handling RVS in your facility and the responsibility of both on and off-site foster care givers and volunteers who work with these species. Being aware and responsible helps to keep our native wildlife populations healthy and also keeps you and the public safe. Rabies is a disease that should be respected, not feared, and knowing how to do your part to decrease the risks for everyone is a cornerstone of the work we all need to do to help eradicate the current rabies outbreak in Ontario and ensure it doesn't recur once we are declared raccoon rabies free again.

The second half covers information and best practices on rehabilitating most of the common species that come into rehab care. Natural history, habits, diets and husbandry along with common illnesses and injuries will be covered. Please bring any questions you may have with you. There is no exam for this course, it is an interactive lecture format.

This course will address:

- ~ Safe care and handling of rabies vector species (RVS) in wildlife rehabilitation facilities and for anyone working hands on with these species.
- ~ Public health and safety, the rabies virus—separating fact from fiction, keeping risks to a minimum, reporting requirements, and making informed decisions.
- ~ Natural history, habitats, and food sources for the most common species admitted to rehabilitation facilities, critical for best practices used in rehabilitation will be addressed through resource materials distributed to each student.
- ~ Injury, common diseases ~ Diets and formula—for all ages. ~ Housing and handling—for all ages ~ Enrichment in rehabilitation ~ The importance of keeping the 'wild' in wildlife—determining release readiness ~

Note: no exam in this course. This is an interactive lecture course, no cadavers are used. Course manuals are distributed at the class.

DEADLINE FOR REGISTRATION IS SEPTEMBER 15, 2017. NO refunds after September 15, 2017 (Sorry, there are NO EXCEPTIONS, including any cancellations by the registrants due to inclement weather. If the course fills, it will proceed *regardless of weather conditions*). There are no 'transfers' of fees paid to a future course if you cancel after that date.

OWREN reserves the right to cancel for insufficient enrolment - if this occurs, your fees are refunded in full. Confirmed registrants are to sign in from 7:30 – 8:00 a.m. on day of class (Class is from 8 AM—6 PM). You will be notified by email when your registration is confirmed. You MUST be 19 or over to register. No at-the-door registrations are taken. You must be pre-registered.

LOCATION OF COURSES and HOTEL INFORMATION

BEST WESTERN PLUS CAIRN CROFT HOTEL

6400 LUNDY'S LANE, NIAGARA FALLS, ON, CANADA, L2G 1T6 Phone: 800-263-2551
